

# The Catch

July 2017

## From the President

Firstly a big welcome to all club members from the new committee. We have a good mix of experienced and new committee members. Our first meeting has been held and we discussed a range of issues, including the effectiveness of the club's insurance policies. The Children's Fun Day took place on the 2nd July, just one week after the Annual General Meeting and we were delighted to have about 60 children in attendance. Many thanks go to our volunteers and sponsors. The weather Gods were kind to us with the rain holding off. Can I remind members and visitors that the club's liquor licence is a restricted one, and there are a number of rules that apply . Some to be aware of include;

- Alcohol cannot be brought in, or removed from our licensed premises. It must be consumed within the licensed area.
- "Take aways" are not permitted.
- Patrons under the age of 18 cannot be served alcohol.
- Intoxicated persons are to be refused service.
- Our trading hours are restricted to certain times.

We do ask for your cooperation about this and we realise that the vast majority of our customers abide by these restrictions. The new committee encourages members to share thoughts and ideas with us. At the time of writing we have 152 paid up members and membership renewals are coming in at the rate of about 10 per week.

*Please come down to the hall and join us for good food and company.*

# 2017 Cungulla Kids Fun Day Another Huge Success

2nd July saw the 2017 Cungulla Kids Fun Day held in huge success!

Troy Kirkwood on the BBQ

Glenda McCloskey, Pat Poletti and Ray Pendreigh attended the day

The 2017 Cungulla Kids Fun Day was held on the 2nd July and saw a great turn out with 60 of Cungulla's littlest members attending the jam-packed day of fun. It was the jumping castle and face painting that stole the show and even saw club member, Robert Muller adorning a red-back spider on his cheek.

Freddy, Harrison, Caylan, Dominic, Zac and Brooklyn were first for fairy floss

Elyce, Janaand Max Hazelma riding with Kellie McKenzie

Special guest Blazer the Bear and his friends from the local Emergency Services also attended the event handing out merchandise and posing for photos. It wouldn't be a beach event without a sandcastle competition and this year was no different with some great sandcastles being built.

Tom, Lianna, Anna Marie, Kellie and Miles from emergency services

Charlie McKenzie, Haylee and Emily Alterator winners of the three legged race

The overcast weather didn't scare anyone with the ice-cream man making around 90 ice-creams and Terry Kirkwood putting in a massive effort, cooking 14 dozen sausages. The Cungulla Kids Fun Day saw Terry Abdul Rahman dubbed 'The Pied Piper' with his support in organising games to ensure the fun continued throughout the day.

Clarlee, Zara, Phoebe, Deane and Emma produced an awesome turtle out of sand

The Cungulla Fishing Club committee would like to thank all sponsors and volunteers at the event for their generosity. The club spent about \$1500 on top of what our sponsors provided and we are very happy to give back to the little people in our community and look forward to seeing the event grow even further in the future.

## Origin 3 at the Club

What a win for the Maroons and what better place to celebrate than with the Cooktown Crusaders at the club. Origin 3 saw Cungulla community members and the Cooktown Crusaders come together to relive in another Maroon victory and raise \$200 for the Cooktown Crusaders. A great night was had by all with raffles and plenty of coldies to go round. Special thanks to those who came down to support the cause and volunteers on the night.
