## From the Committee

Firstly, we would like to thank the outgoing committee for all their hard work. We hope to keep up the standard and maybe make a few improvements.

A lot has been going on in the background to keep the club running. With new members on the committee, learning new roles and updating their training to ensure compliance with legislative requirements.

We are now working on providing more communication with members via Facebook and the website as well as regular newsletters. We are hoping in the future to be able to email this to all members, but we need to collate a comprehensive list of email addresses first.
